PHILOSOPHY	My philosophy all my life has been the pursuit of excellence. Not all of us can do great things. But we <i>can</i> do small things with <i>great love</i> ." I believe that the secret to Caring for a child is <i>CARING</i> for the child. And that's my primary goal, is to love and <i>care</i> for your child, all the small things. In a safe, comfy, and nurturing home/family environment.
