

Licensed Home Child Care

Looking for providers in your neighborhood to join our new Administrative Model

Are you currently offering Home Child Care?

Benefits to partnering with a licensed agency

- › You are self-employed
- › You can set your own contract, including rates and payment for absent days
- › You choose your own hours and days that you would like to operate
- › You can potentially care for 6 children under the age of 6 (at agency discretion)
- › You decide which families and children you wish to welcome into your home
- › We provide support to you and the children through monthly visits and quarterly safety checks
- › We offer one on one assistance and support for dealing with challenging situations or issues with a child or parent
- › You have access to free training including First Aid and CPR
- › We connect you with other providers and host celebratory events – you are part of a community
- › You will receive a regular newsletter
- › You can become a member of Toy Lending Library at no cost
- › You will have access to playgroups and playdates in the park
- › You have access to equipment lending
- › You have access to Storypark
- › Any children with special needs in your care would have access to Children's Inclusion Support Services
