WHERE IS CARE PROVIDED	Main level		
PROGRAMMING & ROUTINE	Indoor: Arts & Crafts Math Activities Circle Time	Outdoor: Walk to school/playgroup Parks	
NUTRITION	Good nutrition is an important part of leading a healthy lifestyle. Combining physical activity with your diet can help you maintain a healthy weight. Provide balanced lunch and 2 snacks		
EXPERIENCE / TRAINING	I raised 4 children and also provided care for my nieces and nephews. Volunteer in school.		
PHILOSOPHY	I provide the support to help children develop physical, emotional, psychological and cognitive building blocks for present and future learning. The children learn from older as well as younger children. I believe in giving a good environment like a home for the children where they learn physical and emotional development through positive guidance and age appropriate activities.
