WHERE IS CARE PROVIDED	Main level of home as well as basement space used for gross motor.		
PROGRAMMING & ROUTINE	Indoor: Play dough, finger painting, paper and glue, singing, dancing, reading books, dress up, math activities – sorting, counting.	Outdoor: Daily walking to the park, sidewalk coloring, exploring nature, sprinkler/water play	
NUTRITION	To promote healthy eating, all foods are home made. I follow the Canadian food guide along with instructions from parents.		
EXPERIENCE / TRAINING	I have 25 years working with children. I have taken many workshops including First Aid/CPR and a variety of behavior and development topics.		
PHILOSOPHY	My goal as a home childcare provider is to introduce children to a quality learning environment where they can learn through play and benefit from a structured but flexible curriculum. The children will also learn and grow physically, emotionally and socially at their own pace and to the best of their ability. Open communication working with parents is very important.
