<p><b>PHILOSOPHY</b></p>	<ul style="list-style-type: none"> <li>• “Worker Safety and Health Awareness” training</li> </ul> <p>“I believe that children are active learners. They are curious, capable and rich in potential. Therefore, we need to create a safe, healthy, play-based learning environment where children are encouraged to play and explore. The early years of a child’s life are the fundamental base for future learning, behavior and health. Diversity, inclusion and equality are important rights for each child.”</p>
