Andrew Fleck Children’s Services is looking to hire an Administrative Assistant to support our Home Child Care (HCC) program. If you are a self starter who would enjoy working in a collaborative early learning environment, and you have the ability to implement efficient administrative and computer systems support for a team of consultants, this may be the opportunity for you. This role will require strong verbal and communications skills, excellent administrative and computer skills, and a team support approach.

Our HCC program offers quality, monitored, early learning and care for children, in private homes, usually in their neighborhood. Today, approximately 550 children aged three months to twelve years are cared for by dedicated Home Child Care Providers in nurturing, inclusive, supportive and stimulating home environments. Providers, Parents and Consultants work together to ensure that the highest standards of health, safety, nutrition and child development are met.
