WHERE IS CARE PROVIDED			
PROGRAMMING & ROUTINE	Indoor: My focus is the health and wellbeing of your child. I provide a child led, play-based learning program with added curricula from my favorite theorists, Montessori, Regio Emilia, and Waldorf. We do a lot of outdoor play and exploring. To create a proper learning plan and/or assess any developmental needs or goals, I perform regular observations of each child. But most importantly I provide a Loving and caring environment for your child.		Outdoor We like to be outside as much as possible. We do go to local parks, splash parks, or walks. We also spend our time playing in the back yard and climbing the play structure. We often do nature Walks, as children learn so much, from play in nature,
NUTRITION	I follow the Canada food guide and provide home cooked meals. (breakfast, lunch, and snacks.)		
EXPERIENCE / TRAINING	I started my journey opening a home daycare when my daughter was one, since then I have Graduated from Algonquin College and are a registered Early Childhood Educator. I have had the opportunity to work with the catholic school board, Montessori schools, and non-for-profit daycare centers. As part of my registration with the college of ECE's I must make sure to attend ongoing training and courses. Such as ASL, Conscious Discipline, Montessori and Waldorf Studies. I have CPR, and Police clearance.		
PHILOSOPHY	<i>"While we try to teach our children all about life, our Children teach us what life is all about."</i>
