

SUMMER RESEARCH ASSISTANTS

EARLY CHILDHOOD PROFESSIONAL LEARNING PROJECT

Students from BELCD or ECE programs, completed or currently in progress, are eligible

Casual- · Full -Time · Non-Unionized

Andrew Fleck Children's Services is seeking highly motivated and detail-oriented research assistants with knowledge of early childhood education to work on a privately funded research project focused on Early Childhood Professional Learning. The project aims to identify effective professional learning strategies and interventions that support early childhood educators in enhancing their practice and promoting positive outcomes for young children.

Confirmation of full vaccination for COVID-19 is a requirement of employment with Andrew Fleck Children's Services

- Available from:** May 6th, 2024 to August 30th, 2024
- Salary:** \$18.55 per hour + 4% vacation pay
- Hours:** 35 hours per week
- Location:** Hybrid – remote and on site
- Closing date:** April 7th, 2024
- Apply:** **E-mail a copy of your resume to hrrecruiting@afchildrensservices.ca**

What Andrew Fleck Children's Services offers...

- ✓ Competitive salary
- ✓ A unique culture that fosters leadership, responsiveness, communication, and teamwork
- ✓ A place where your opinions will be respected, and your contributions valued
- ✓ A chance to grow – personally and professionally – through workshops, mentorship programs and courses, to upgrade skills, and develop new areas of expertise
- ✓ A strong commitment to equity and diversity in the workplace and community

In this role you will...

- ✓ Work closely with the project research team
- ✓ Conduct literature reviews and synthesize research on early childhood professional learning
- ✓ Assist with data collection and analysis, including interviews, surveys, and focus groups with early childhood educators
- ✓ Organize and maintain project documentation and data files
- ✓ Assist with the preparation of research reports and presentations
- ✓ Participate in regular team meetings and discussions

To qualify for this role you have...

- ✓ Early Learning related Degree or ECE Diploma program, in progress or completed
- ✓ Strong interest in research related to early childhood professional learning
- ✓ Excellent organizational and communication skills
- ✓ Strong Microsoft office suite (Word, Excel, Outlook)
- ✓ Ability to work independently and collaboratively with a research team
- ✓ Prior experience with research methods and data analysis is preferred but not required
- ✓ An additional language (would be an asset)

We are an equal opportunity employer. We thank all applicants for their interest; however only those selected for an interview will be contacted. Should the applicant require any accommodations during the application process please notify Human Resources at hrrecruiting@afchildrensservices.ca
